

# PANTHER SENTINEL

Volume XIX

Salinas, California, Friday, January 6, 1950

Number 12

## As We See It

By PAT POLLOCK

It's a little late, maybe, but still time to wish everyone the best of everything during the New Year from the Sentinel staff. Now at the half-way mark in one of the most momentous centuries in history, let's all hope that the next 50 years will see a better understanding among the nations of the world, and a world at peace.

Orchids department: This is the first chance we have had (in print) to applaud Mr. Hal Ulrici and his Delta Psi Omega cast for their Christmas production, "Everyman." The play, which we hope everyone at Hartnell had an opportunity to see, was the second in a series of five planned for this year. Many who did see it felt it was the best Hartnell production in years. Particularly outstanding was Richard Cimino as Everyman and Don Lo Presti as Death, who helped make the beautiful morality play a credit to the college and its drama department. We are all looking forward to Mr. U.'s next, "The Winslow Boy," which was cast this week.

The social activities committee, and all others who assisted, should be commended for planning and carrying through a wonderful Winter Ball. The food was good, and even though the dance floor was a little small, who minds dancing with one foot on the rug at a place like the Highlands Inn? The ball, by the way, was "without incident," according to Social Activities Commissioner Wayne Ingols. In other words, we were a well-behaved lot.

Commissioners will discuss next week an addition to the by-laws of the student constitution, dealing with organizations dependent upon student body funds for support. The proposal, brought up at Tuesday's meeting, will probably be voted on at the next meeting. By taking a definite stand on how funds and budgets of such organizations are to be handled, it is hoped that future controversies, such as the recent one concerning the rally committee banquet, will be avoided.

Things that seem to have been forgotten: The spring semester is almost upon us, and as yet no chairman has been appointed to head the W.S.S.F. (World Student Service Fund) drive here at Hartnell. It's a job no one seems to want. The last we heard, a chairman was to be appointed from the membership of Alpha Gamma Sigma. What happened?

Not a whisper has been heard recently about the much-needed student union, either.

The three "angels" above are the Misses Faith, Hope and Charity of the Hartnell music workshop's production, "The Hither and Thither of Danny Dither." Mr. Dither, the celestial office boy, will visit earth today at a student body assembly, to be held in the Little Theater at 12:30. Left to right, above, are Shirley Bequette, Carla Adams, Margaret Lowry and Don Schrupp as Danny.

—Low Patterson Photo

## Women to Hear Oakland Doctor

Under the sponsorship of several Hartnell clubs with women members, Dr. Evelyn M. Berger, Ph.D., will speak to the women of Hartnell College on January 16. Doctor Berger will be in Salinas to speak to the girls of the high school and a public group as well as the Hartnell students.

For her topic, Doctor Berger has chosen "Living Happily After." The assembly will be open to all women students; all are urged to attend. It will be presented in an assembly at 2 p.m. in the Little Theater.

Doctor Berger has gained a name for herself as a speaker who knows her topic and knows how to express herself. She is at present a psychologist working in Oakland.

## CLASS HEARS REVIEW

Miss Mildred Novotny's child development class heard Dr. Friedy Heisler review the book, "The Mature Mind," at yesterday's meeting of the Woman's Club Book Section.

"The Mature Mind" ties in with class studies of the importance of

## Commission to Consider Addition To By-Laws

Addition to the by-laws of the student body constitution was presented to commissioners Tuesday by Student Body President George Miljanich. The new section would deal with organizations dependent upon student body funds for support, and will be discussed by the commission at its next meeting.

Wayne Ingols, commissioner of social activities, reported that the Winter Ball, held December 19 at the Highlands Inn, Carmel, was "without incident." The management, he said, commented that the group was one of the most "well-behaved" ever to attend an affair at the Inn.

Mr. Jerry Girdner reminded members that "manila folders" on the year's progress will be due soon.

parents understanding the child's need in order to guide his development into a socially acceptable, mature individual.

## Art Club Plans Dance January 13

Friday, January 13, the night of bad luck and superstition, is slated for a dual role this year. In addition to the usual events which take place on the eve, the Hartnell College Art Club is to hold their dance for this year.

Plans for the superstition are assured by the calendar, but art club officials are not definite about their dance. They assure all, however, there will be a dance which will live up to all the high standards the club has set in all its other activities. General chairman for the affair is Clo Castro.

## IMPORTANT!

There are openings in all departments of the Panther Sentinel staff, Editor Pat Pollock announced today. Sentinel class meets next semester on Tuesdays and Thursdays from 9 to 12.

## 'Danny' Visits Students at Noon Today

Cancellation of the two public performances of "The Hither and Thither of Danny Dither," scheduled for last night and tonight, was announced Thursday by Miss Vivian Stewart, director. Absences and illnesses among cast members necessitated the cancellation, Miss Stewart said.

However, a performance of the operetta will be given today in the Little Theater for the student body. All student body members are invited to attend the production, which begins at 12:30. Another performance may be given tonight for parents of the cast, the director announced.

With play and lyrics by Jeremy Gury and music by Alex North, the production opened here last night. It is in two acts, and tells the hilarious story of Danny, the celestial office boy, who is sent to earth to find if there is any faith, hope and charity left in the world. If there isn't, the heavenly efficiency expert, Lucifer Lucas, threatens to abolish the Faith, Hope and Charity department. How Danny goes about gathering good deeds in his little book, and the amusing situations he runs into in the meantime, make up the story of "Danny."

In addition to the many musical numbers, there is a "City Ballet" included in the production, and a number of other dances.

Handling the leading roles are Don Schrupp as Danny; Anita Turpin as Daisy, leader of a gang of city brats; and Dean Stamatoopoulos as Lucifer Lucas, the Villain of the piece.

Others in the cast include Margaret Lowry, Charity; Shirley Bequette, Faith; Carla Adams, Hope; Pat O'Bannon, Mr. J. J. Judkins; James Willcox, Droopy; Miss Vivian Stewart, The Duke; Ted Wittwer, the Prosperous Man; Richard Goodrich, Officer O'Shaughnessey.

Robert Cancellieri, Organ Grinder; Pat O'Bannon, Immigration Chief; Ted Wittwer, Guard; John Nast, Reporter; Gardner Pond, Radio Announcer; Carl Bartelbaugh, first sponsor; Pat Pollock, second sponsor; Robert Dyke, third sponsor; Dewey Chambers, sound man.

James Akimo, Stamatoopoulos, William Kaas, Cancellieri and Gary Robinson are cast as pen-pushers; Robinson, Akimo, James Savage and Stamatoopoulos as sandwichmen; Kaas, Pat Segobia, Betty Johnson, Laurel Hildebrand, Alice Spagopolous, Akimo, O'Bannon Robinson, Brewster, Willcox, Cham-

(Continued On Page 2)

Enjoying an evening of dining and dancing at the Highlands Inn, scene of the Winter Ball, are, left to right: Mr. and Mrs. Tomi Miller, Pat Pollock, Dewey Chambers, Dean Stamatopoulos, and Gloria Scroggs.

As they dance to the music of Don Dean's eight-piece orchestra, Pat Lewis and David Bird seem to be enjoying themselves. Over 70 couples attended the affair which lasted from 9 to 1.

(Continued From Page 1)

bers, Goodrich, and Arlene Hevrin as city people.

City brats include Miss Pollock, Miss Johnson, Miss Hildebrand, Miss Spagopolous, Chambers, Miss Hevrin, Miss Turpin, Brewster Willcox, Robinson, Miss Segobia, Akimo, Miss Adams and Miss Bequette.

Miss Jean Urmson, who also accompanies the Hartnell glee clubs, is accompanist for the production.

### Hartnell Air Group Ahead of Others

The only flying club among the 12 colleges of the Northern California Junior College conference that owns its own plane is the Hartnell flying club, Mr. Richard Carlisle said, when he returned from the conference meeting at Berkeley.

San Mateo Junior College was renting one, he said, but for about twice as much as Hartnell students have paid for the privilege of flying their Piper Cub.

Other school flying clubs are still in the planning stage and as yet have accomplished very little, he claimed.

Mr. Carlisle was very enthusiastic in his approval of the local club. He was surprised that Hartnell was so far advanced over other schools in the conference in this matter, as most of the colleges are much larger than Hartnell.

Geordie Corbett spent three days of vacation time viewing the sights in Ventura.

## CAMPUSOLOGY

By BOB WHITE

Congratulations to Nancy Crandall and Ken Koenig who announced their engagement New Year's Eve. Nancy is a resident of Pasadena and is attending business college. Ken is an engineering student here at Hartnell. The wedding date is indefinite at this time.

The engagement ring, which Nancy is now wearing, is a Koenig family treasure. It formerly belonged to Ken's grandmother. The center stone in the ring is a one-carat diamond!

Several years ago, Ken and Nancy lived in San Jose. Both attended the same Sunday school. They did not, however, know each other at the time. Recently, Ken traveled to Pasadena and met Nancy on a blind date. Must be fate. Anyway, it's a small world.

The Ski Club had a very successful outing at Yosemite and Badger Pass, it was reported. At least six persons were injured slat sliding. Doug Severin and Jacque Gaudin suffered broken ankles, while Jackie Jury received a wrenched hip and ankle. Barbara Ching obtained a minor concussion. From the looks of Mount Baldy Tuesday morning, the group could have busted things much more cheaply at home.

Incidentally, Gloria Scroggs proved that you don't need ice and snow. She was "skating" down the hall last Tuesday morning and fell flat on her face.

If memory and idle curiosity will stretch that far, perhaps you will remember the "Mule Train" at the U.G.C. Christmas party held before vacation. The "Mule" was portrayed by Miss Dee Fosselman and Miss Bonnie Hearn. Bonnie held up her end. The head was Dee.

Then there is the mystery of the broken window and the torn upholstery. While a group of Hartnell rooters were traveling on a Greyhound bus, a window was somehow broken and seats were torn up. None of the passengers could figure out how it happened. But there is no mystery as to who will pay for it. The passengers will — at \$1.10 per.

It appears that Phyllis Williams is afraid of the water. When some kids suggested that they go wading, Phyllis refused. Maybe because it was three o'clock in the morning at Carmel beach.

At the first dress rehearsal performance of "Everyman," the cast was all ready to give a brilliant portrayal. Mr. Hal Ulrici had told them that there would be scouts in attendance. When curtain time came, sure enough, there were scouts in the audience — Boy Scouts — several of them.

### Students Broadcast New Year Programs

"The Rivals," Richard Brinsley Sheridan's famous play, was presented by the cast of the Hartnell college radio guild over station KSBW yesterday afternoon.

Directed by Alice Page, the cast included Phil Trine, Richard Cimino, Ralph Rowland, Gloria Scroggs, Jackie Day, Dewey Chambers, Bill Walker, and Dick Rohrbacher.

Today at 5:05 p.m., on station KDON, the radio drama class will air the regular weekly show, "College Is the Life."

### Winter Ball Claimed Success

Approximately 70 couples attended the annual Winter Ball which was held December 19 at the Carmel Highlands Inn. Dancing was to the music of Don Dean's eight-piece orchestra, and a buffet supper of turkey, salads, and relishes was served from 9 to 11.

Those who made the affair possible were Wayne Ingols, social activities commissioner; Dick Sagala, publicity; Aletha Mathers, bid sales; and Marilyn Hendrix, who had the bids printed.

### Club Members Enjoy Party

Christmas was celebrated by the Newman club at a party held at the home of Don Stoffey on December 22. Club president Bob Cancellieri stated that there were about 43 members present for the event.

Guests enjoyed dancing and card playing and participated in a raffle. Refreshments were served, and there was a smorgasbord for the members present.

Ralph Hitchcock went to the East-West game.

Bud Chase played two hot games of Canasta on New Year's eve.

Roy Johnson took a trip to Lake Tahoe during vacation.

Calvin Cory, alumnus now attending Santa Barbara college, came home to Salinas to visit his parents. He joined the Hartnell ski club in their trip to Yosemite.

## Skiers Enjoy Outing; Six Hurt

Last December 27 the Hartnell Ski Club went on its first trip. The outing lasted for three days, and for a change the roads were in excellent condition.

Bad luck, in the form of auto accidents, minor injuries, and other miscellaneous mishaps seemed to plague the skiers. The snow was in fair condition and almost every minute a person could be seen riding down the slopes on a toboggan.

Two of the first injured were Doug Severin with a broken ankle, and Francis Pollitt with an ankle separation. Later in the first day Jackie Jury injured her hip, while Jacques Gaudin broke her ankle. On the second day Barbara Ching suffered a concussion from an extremely bad spill, while on the last day Marilyn Hendrix suffered an ankle sprain.

On the night of the second day the majority of the party went down to the Yosemite valley, and had quite a time skating and enjoying the toboggan run.

## CAMPUS CLOTHES

By ROBIN LOWRY

It seems as though Santa Claus was really good to all the little boys and girls of Hartnell college. A few even acquired casts over the holidays. Lets hope that doesn't become a fad.

Marilee Hubbard looked quite smooth in her new green outfit. She had on a wool green striped skirt with a green jersey blouse to match. Her leather purse and bag matched.

Jersey blouses and skirts are very popular with the girls. Beverly Krikac was attired in a royal blue jersey blouse and a blue and maroon plaid skirt, which was very smart looking.

Saint Nick was good to Gerry Blair too. With her pale yellow sweater and blue pleated skirt and scarf to match, she really looked chic.

The autumn colors become Lola Hipkins when she wears her new beige skirt topped off with her forest green and burnt orange sweater set.

Nancy Bardin, freshman student, was looking quite sharp the other day in her red sweater and blue skirt. The pockets of the skirt were outlined with small buttons.

Accordion pleated skirts are also popular with the girls. Joan Bode was wearing her new blue and green skirt with a blue cashmere sweater that Santa brought her. Looked quite nice on her.

Most of the fellows are now wearing their new cashmere sweaters, argyle socks, and even a few had ties on. It looks as though all had a Merry Christmas.

Members of the Ski Club, who enjoyed three days of skiing in Yosemite recently, are shown here as they are gathered around the terrace of the Badger Pass ski lodge.

President Don Mignola of the Ski Club is shown as he executes a turn. — Dave Bird Photos

## Westminster Club To View Picture

A movie will be presented by the Westminster club for the student body at noon on January 9. Plans for the show are indefinite, but advisor Miss Faith Fraser said that posters will be put up soon to inform students.

This program will be presented by the Baptist members of the group as part of the general theme of this year's club activities.

## Kensinger Works On Display Soon

Retrospective exhibit of art student Bob Kensinger will be shown next week in the art room. This exhibit will be prior to his departure for the Chouinard Art institute in Los Angeles where he plans to enroll next semester to continue his studies.

According to Mr. Leon Amyx, art instructor, Bob's work from the eighth grade on up will be shown. The purpose of this is to show his advancement through the past years.

Members of the Prairie Printmakers association are now showing their exhibit of etchings and lithographs in the art room and the hall by the art room. This work of professional artists from the mid-western states tours the colleges and art galleries yearly. They have had their exhibit at Hartnell annually for the past seven years.

## Interclub Council To Aid Activities

The Interclub Council will reopen the discussion on times for club meetings when it meets at noon next Thursday in the Little Theater.

New activities and the interclub constitution will also be taken up at the meeting.

Club members who are interested in the topics to be taken up may express their views to their representatives.

Mr. Harold Ulrici is the advisor of this organization.

## Men's Club Owns Two Bicycles

Announcement has been received from the Men's club that they have purchased two bicycles which will be available for the use of students in the near future. The bicycles, a man's and woman's model, will soon be placed on the front steps and will be available for rental from the main office.

These bicycles were purchased in order to aid out of town students who wish to go down town and may not have enough time to walk.

## Koenig-Crandall

Friends of Mr. Ken Koenig, sophomore student, have learned of his recent engagement to Miss Nancy Crandall.

Miss Crandall is attending John Muir Business College in Pasadena at present. Wedding plans for the couple are indefinite.

## Frances Johnston Weds Tom Miller

Surprising friends who attended their betrothal party before the Winter Ball, Hartnell students Frances Johnston and Tom Miller were married in Reno December 27.

Trinity Episcopal church was the setting for the evening ceremony, which was performed by the Rev. John Ledger.

The couple's only attendants were Pat Pollock of Salinas as maid of honor and Dewey Chambers of Capitola as best man.

For her wedding, Miss Johnston wore a beige suit with brown accessories and a corsage of gardenias. Miss Pollock chose a black suit with matching accessories.

Following a brief honeymoon in the Reno-Lake Tahoe area, the newlyweds are residing in Salinas. They plan to establish their permanent home in Watsonville.

Until her marriage, Frances, the daughter of Mr. and Mrs. C. T. Johnston of Salinas, had been attending Hartnell as a speech major.

Tom, who was assistant yell leader during football season, is

the son of Mr. and Mrs. Charles Miller of Watsonville. He is now engaged in the commercial fertilizing business in Watsonville.

## Sports Comments

By PHIL TRINE

Encountering a little tough luck the Hartnell cagers were eliminated from the Modesto College tournament by Yuba College, 52-48. The locals enjoyed a comfortable 28-21 halftime lead but for 14 minutes of the last half they were unable to hit the hoop. The Panthers copped the consolation trophy last year by dumping Pasadena College, 54-51.

Fred Willson, former Pacific Grove High School star, is making spectators forget the performances of Bill Whisler, last year's Panther high scorer. Willson has challenged veteran Ed Macha for the individual lead and if he continues to improve at his present rate he will cause plenty of trouble for conference competition. The locals open their conference schedule against the San Francisco Rams on January 13 in the Bay Area city. Modesto and Stockton will invade Salinas to engage the Panther five in their first home court league battles on January 20 and 21.

Coach Murius McFadden ended a 26-year reign as head football coach for the San Mateo Bulldogs this week. McFadden, the "granddaddy" of the N.C.J.C. circuit, led the Bulldogs to eight titles during his career. His 1928 team, spearheaded by Hank Schaldach and Bill Liggett, completed an undefeated season and included San Jose State, Santa Barbara State, and Chico State. Herb Hudson, "Furious Murius" assistant, will take over the head coaching duties at San Mateo. McFadden will remain at the college as athletic director.

Western football fans are still wondering when and if the Pacific Coast will chalk up their first victory over the Big Ten in the Rose Bowl. California lost to Ohio State,

## Hartnell Out Of Tourney; Bows To Yuba, 52-48

Losing to Yuba in their opening clash, 52-48, Hartnell is automatically out of the Modesto tournament. Due to the large number of entrants, all losers in the first round are not eligible for the consolation playoffs.

Starting off fast and furious the Panthers had a comfortable lead at the end of the first half with the score 28-21. Ed Macha scored 10 points in this half.

In the third quarter Hartnell fell to ragged playing and worse shooting, and couldn't seem to buy a basket. It was nearly 12 minutes of the second half before the locals could sink a basket. In this period Yuba tallied 20 points, while Hartnell managed to eke a mere 3.

In the fourth quarter Hartnell came out with a little show of their old spirit and it was nip and tuck. In this period the Panthers came within two points of the Yuba boys but never managed to tie them.

High point man of the game was lanky pivot man Jack Nord of Yuba who chalked up 15 points. Fred Willson was leading Hartnell scorer with 12 points; Ed Macha had 11, ten of which were scored in the first half. Herb Withers played about the best ball for Hartnell, and pushed through eight points. For the first time this season, Ed Macha was off on his free shots, missing five.

17-14, and thus became number four "killing" for the midwestern representatives. West Coast prestige received a little lift when the Santa Clara Broncos romped to a 21-13 win over Kentucky in the Orange Bowl. The Broncos have visited bowls three times and have returned the victors each time.

## Skillicorn Cops Ping-Pong Crown

Winning in the finals from Mak Low, Gerald Skillicorn was crowned king of the table tennis players. After winning the championship badminton tournaments some three weeks ago, it seems that Gerald's skill is well rounded.

Starting last October, the table tennis tournament finished the finals during the first week of December. Skillicorn displayed amazing ability with the game, and easily bested most of his opponents. Low, standing just barely over five feet tall, gave him some of his stiffest competition, although Skillicorn was never crowded.

It may be noticed that Low and Skillicorn occasionally wear their gold awards that are given to the champions in each division of intramural.

Coach Jess Regli has announced that the volleyball tournament is in its last rounds. As of yet the leading team is the Hawaiians who have won seven games. The Hawaiians haven't the championship cinched by any means, though. The Hawks are immediately behind them with a record of 6 wins, 1 loss, and 1 tie.

In third place are the trailing Colts, the only other team that has a fair chance for the title. So far their record shows 5 wins, 1 loss, and 1 tie. The tournament is scheduled to wind up in a couple of weeks and the champs will be presented with their gold awards.

A great many fellows are already talking of forming their intramural basketball teams. The schedule will start either the last of this month or the first of February. Of all the championships this is the most hotly contested, and some really good games are played.

## U.C. Frosh Dump Panthers, 71-45

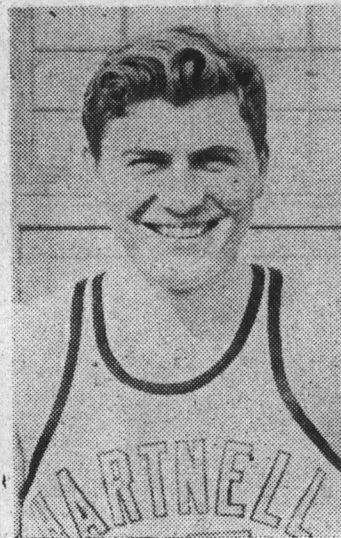

Losing to the Cal Frosh, 71-45, the Hartnell Panthers displayed spiritless playing for about the first time this season. After a week's rest from a successful road trip, the Panthers seemed to be in a blue funk and unlike other games, remained so through the entire contest.

Although Coach Adams substituted men freely during the game it did little towards improving the team's playing. The Cal Frosh had an excellent team, but it was a generally conceded fact that the locals were far from being up to par, and it could have been much closer.

Not only were the Hartnell boys as cold as ice, but their opposition had a hot night with Froeschle leading the Berkeley boys with 19 points. Froeschle was paced by his tall teammate Gray who played the pivot post, and put 17 points through the hoop.

Leading the local boys was Fred Willson, who played about the best ball for the Panthers, with 11 points.

## Panthers Need Overtime To Beat Southern Oregon

ED MACHA  
Leads in Scoring

## Macha Leads In First 13 Games As High Scorer

After the first 13 games, big Ed Macha leads the locals with a grand total of 141 points after scoring 13 points in the Southern Oregon match. Macha has sunk 48 field goals and 45 free shots, while Fred Willson has sunk the same number of field goals but has dropped in only 33 points via the free throw line.

As a result Willson is in second place with a total of 129 points. Macha has an average per game of 10.8 points, while Willson is close with an average of 9.9.

In third place is Herb Withers who dumps his shots in with his trusty left arm. Withers has sunk 45 field goals but only 21 free shots which leaves him with 111 points. His average per game is 8.3 points.

Fighting it out for fourth place is Don Keeney and John Wong. Don has sunk 30 goals and 12 free shots, while John has sunk 24 field goals and 21 free shots, leaving Don with a slight edge, 72 to John's 69. Keeney has also a slightly higher average per game, 5.5 to John's 5.3.

Close behind his brother is Wally Wong in sixth place with a total of 55 points. Wally has sunk 20 field goals and 15 free shots, and has an average of 4.2 points per game. This average is by no means an indication of Wally's ability, for he is a guard of the highest caliber.

Following Wally are Bill Bell and Bill Conlan, each totaling 27 points. Bell has 8 field goals to Conlan's 10, but has sunk 11 free shots to Conlan's 7. Each has an average of 2.3 points per game played.

Trailing are Charles Volonte, Roy Pellascio, and Glen Albaugh with 11, 12, and 10 points respectively. Bob Swan has participated in but one game, as the result of his injury, and has yet to break into the scoring column.

Hartnell's Panthers took Southern Oregon in a hotly contested game December 28, 65-57. After losing badly the night before to a hot Cal Frosh team, the Panthers came to life and played a good brand of ball all night.

Few teams have played with more determination to win than the locals that night. Coach Ed Adams played only six members in the entire contest. Although the battle was one of the hardest fought this season, not once did the Panthers falter in their fast playing.

At the end of the regular time the score was knotted at 55-55. After a brief rest the Panthers returned to the floor and in a flurry of shots pushed in 10 points in five minutes while the opponents were allowed only two. This was the first overtime contest that the locals have played this year.

Well proving his worth was Fred Willson who plays the center spot for the Panthers. This lad from Pacific Grove tallied 23 points in the evening's work. Fred was followed by Macha, who had 13 points, and Wally Wong and Herb Withers who were close with 11 and 10 points, respectively.

The Hartnell team, traveled to the San Joaquin Valley to participate in the Modesto N.C.J.C.C. tournament last Wednesday. Coach Adams has announced that their first opponent will be Yuba, with Pasadena next, providing they win their initial game.

Members of the team that is traveling to Modesto are: Glen Albaugh, Bill Conlan, Don Keeney, Roy Pellascio, and Herb Withers at forwards; Ed Macha, Wally and John Wong at guards; Bill Bell and Fred Willson at center positions. Wally Wong, Keeney, and Ed Macha are the only sophomores on the team.

## San Mateo Grid Coach Retires

After coaching football for 26 years at San Mateo J.C., Mr. Murius McFadden has announced that he plans to step up to the position of athletic director and instructor in hygiene. His record span may be the longest in the West.

Although the San Mateo team this year was in line for the championship, they were knocked off by Menlo, 20-12, so McFadden failed in his ambition to retire with a champion.

## Students Asked To Write To Station KDON

Coach Ed Adams urges listeners to let KDON know by a simple post card how much the present basketball broadcasts are heard and appreciated.

This past year there were few football broadcasts. If the programs were listened to by a large and appreciative audience, sponsors would be quicker to back the broadcasts.
